### ***Allowable Subject Matter***

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Applicant has claimed an unobvious improvement to prior art apparatus' that can be used as an ashtrays, and which comprise a container, which includes a base and a surround member extending from the base; a cap member engageable with the container; and an associated handle for securing the ashtray to a frame or window of a vehicle. However, said prior art does not teach or reasonably suggest such an apparatus having the claimed engagement rim assembly in combination with the claimed housing/attachment assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
